**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Regional internet providers are key to a competitive marketplace. The real innovators are not cable/telecom behemoths but the local carriers, and my family is proud to support our local ISP. Gigabit fiber rollout was singlehandedly undertaken by Sonic Internet of Santa Rosa, not AT&T, Comcast, etc. Our local ISP provides the best service for San Francisco at the most cost-competitive price. Better than cable or DSL for our region.

ENCOURAGE INNOVATION!

Drew McCluskey
